15 under federal law;

16 (ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, 26 U.S.C.
17 852(b)(5), that are attributable to the interest referred to in subsection (1)(a)(i);

(k) principal and income in a first-time home buyer savings account established in accordance with 15-63-201 or withdrawn from an account for eligible costs, as provided in 15-63-202(7), for the first-time purchase of a single-family residence;

(l) contributions withdrawn from a family education savings account or earnings withdrawn from a family education savings account for qualified higher education expenses, as defined in 15-62-103, of a designated beneficiary;

(m) the recovery during the tax year of any amount deducted in any prior tax year to the extent that the recovered amount did not reduce the taxpayer's Montana income tax in the year deducted;

(n) if the federal taxable distribution of an estate or trust is greater than the state taxable distribution of the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution of the same estate or trust for the same tax period;

(o) deposits, not exceeding the amount set forth in 15-30-603, deposited in a Montana farm and ranch risk management account, as provided in 15-30-601 through 15-30-605, in any tax year for which a deduction is not provided for federal income tax purposes;

(p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-142.

(r) a payment received pursuant to [sections 1 through 3].

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages

1 and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and
2 salaries were used to compute the credit. In the case of a partnership or small business corporation, the
3 deduction must be made to determine the amount of income or loss of the partnership or small business
4 corporation.

5 (5) Married taxpayers filing a joint federal return who are required to include part of their social security
6 benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal
7 base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement
8 benefits when they file separate Montana income tax returns. The federal base must be split equally on the
9 Montana return.

10 (6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end
11 of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income
12 up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is
13 absent from work due to the disability. If the adjusted gross income before this exclusion exceeds \$15,000, the
14 excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the
15 taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the
16 limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted
17 gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage
18 in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting
19 or expected to last at least 12 months.

20 (7) Married taxpayers who file a joint federal return and who make an election on the federal return to
21 defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA,
22 pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana
23 income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the
24 same time period. The deferred amount must be attributed to the taxpayer making the conversion.

25 (8) An individual who contributes to one or more accounts established under the Montana family
26 education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the
27 contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000,
28 for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions
29 made by the spouses as being made by each spouse. The reduction in adjusted gross income under this
30 subsection applies only with respect to contributions to an account of which the account owner, as defined in

15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

(9) (a) A taxpayer may exclude up to \$5,000 from the taxpayer's adjusted gross income if the taxpayer:

(i) is a health care professional licensed in Montana as provided in Title 37;

(ii) is serving a significant portion of a designated geographic area, special population, or facility population in a federally designated health professional shortage area, a medically underserved area or population, or a federal nursing shortage county as determined by the secretary of health and human services or by the governor;

(iii) has had a student loan incurred as a result of health-related education; and

(iv) has received a loan payment made on the taxpayer's behalf by a loan repayment program described in subsection (9)(b) as an incentive to practice in Montana.

(b) For the purposes of subsection (9)(a), a loan repayment program includes a federal, state, or qualified private program. A qualified private loan repayment program includes a licensed health care facility, as defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility as a licensed health care professional. (Subsection (2)(f) terminates on occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)"

NEW SECTION. Section 5. Appropriation. There is appropriated \$4 million from the state general fund to the department of military affairs to be used for the payment of honorariums pursuant to [sections 1 through 3].

NEW SECTION. Section 6. Codification instruction. [Sections 1 through 3] are intended to be codified as an integral part of Title 10, chapter 2, and the provisions of Title 10, chapter 2, apply to [sections 1 through 3].

NEW SECTION. Section 7. Effective date. [This act] is effective July 1, 2005.
